SUMMARY OF CHANGES

Changes in Section C

GENERAL SCOPE OF BASIC ORDERING AGREEMENT

Technical Design Inc. offers extensive expertise in engineering, design and technical training. In addition, they can provide you with program and project management, facilities management, construction management, and inspection/QA for manufacturing and fabrication capabilities from conception to the bidding process, to inspection with the manufacturer. Their team has worked in the public and private sectors and with the national laboratories. They have a proved track record of successful performance with their customers. No project is too small and each client's needs are unique and require solutions.
